FEDERAL ENTITY CEASED OPERATIONS

Schedule Number: N1-220-93-003

Federal entities may cease operations when they are established as a temporary entity, are abolished, or functions are transferred to state or local government or private control.

Description:

The National Commission on Children was established as an independent advisory commission by the National Commission on Children Act of 1987 (101 Stat. 1330-316), approved December 22, 1987. The Commission submitted its final report on March 31, 1991, and was officially terminated on March 31, 1993.

Date Reported: 06/22/2020

5.	National Opinion Survey.		
	The Commission designed and conducted a national telephone survey of children ages 10 to 17, their parents, and parents of children under age 10. Approximately 1700 households were interviewed. In addition, the Commission added a module of questions to the 1990 General Social Survey, an annual faceto-face survey administered by NORC at the University of Chicago. Documentation includes questionnaires for both surveys; several volumes of survey results for the full samples and for subsamples based on race, family income, family structure, and other variables; data tapes for the survey of children and parents; analysis of the survey finding; correspondence to Commission members and to the Commission's technical advisors and a Fact Sheet on findings and News Release of Findings. Volume:		
	<u>Disposition:</u> PERMANENT. Transfer to National Archives upon approval of this schedule.		
6.	Record of Regional Forum.		
	The Commission held a regional forum in Pittsburgh, PA on June 8, 1992, for child experts of the region. The Forum included a breakfast meeting, followed by site visitations and a moderated youth forum. Documentation includes news releases and advisories, briefing books for attending participants and Commissioners, transcript of youth forum and list of attendees. Volume:		
	<u>Disposition:</u> PERMANENT. Transfer to National Archives upon approval of this schedule.		
7.	Files of Working Groups		
	Working groups were held on nine occasions with professionals in numerous fields to establish, with Commissioners, ways to implement the recommendations set forth by the Commission in its Final Report. Documentation includes invitations, attendance lists, transcripts from meetings, background materials sent to participants, correspondence with staff regarding the Commission's Implementation Guides. Volume:
