

FEDERAL ENTITY CEASED OPERATIONS

Schedule Number: N1-220-94-002

Federal entities may cease operations when they are established as a temporary entity, are abolished, or functions are transferred to state or local government or private control.

Description:

The Interagency Council on the Homeless was established in 1987 by the Stewart B. McKinney Homeless Assistance Act (101 Stat. 489) to provide Federal leadership for activities to assist homeless families and individuals. It was the successor to the Federal Task Force on the Homeless of the Department of Health and Human Services. Committee terminated on October 31, 1993. Its functions were taken over by the Department of Housing and Urban Development.

This schedule covers records created from 1987-1993

Congress did not support reauthorization of the Council in 1993. As a result, the Clinton administration decided to continue the work of USICH by establishing it as a working group of the White House Domestic Policy Council. USICH received no direct funding from Congress from 1994-2000. Instead, HUD provided staff and other administrative support for USICH operations. On January 23, 2004, in accordance with Public Law 108-199 (118 Stat. 394) the Interagency Council on the Homeless was renamed the United States Interagency Council on Homelessness.

The agency was most recently reauthorized by the Homeless Emergency Assistance and Rapid Transition to Housing (HEARTH) Act of 2009.
