SUMMARY

This job consists of a schedule for transfer to the National Archives of medium and high resolution photographic negatives taken during Lunar Orbiter missions I-V 1966-1967. Transfer is scheduled for 1997 when the records will be 30 years old and agency use ceases.

RECOMMENDATION

1. APPROVED FOR DISPOSAL The records described under all items of the schedule, except those that may be listed in blocks 2, 3, and 4 of this section, are disposable because they do not, or will not after the lapse of the period specified, have sufficient administrative, legal, research or other value to warrant their continued preservation by the Government
2. APPROVED FOR PERMANENT RETENTION The records described under the following item or items have been appraised by the National Archives and Records Administration (NARA) and are determined to have sufficient historical or other value to warrant their continued preservation by the United States Government. The agency will offer these records to the National Archives as specified
3. DISPOSITION NOT APPROVED The records described under the following item or items are not approved for disposition
4. WITHDRAWN The records described under the following item or items have been withdrawn at the request of the agency and/or NARA
