These records are summary cards of their history and information originally contained in the case files identified as "Secretarial; Apprenticeship Program; and Engineering and Administrative Co-Ops." These records are not the case file records. Records can exist in either paper or electronic format (including but not limited to printouts and data maintained on personal computers).

      NOTE: Current accumulation of paper cards, dating from 1960 to 1990, consists of 2½ cubic feet. In 1991 the PC based system was established. This system contains slightly more information than the manual one.

      **When approved this item will be sequentially numbered under UFI # 3410 and incorporated into the NASA Records Disposition Handbook (NHB 1441.1B).
