Schedule 2 -- Records accumulated by functional areas Legal and Technical

Electronic Mail and Word Processing System Copies

Electronic copies of records that are created on electronic mail and word processing systems and used solely to generate a recordkeeping copy of the records covered by the other items in this schedule. Also includes electronic copies of records created on electronic mail and word processing systems that are maintained for updating, revision, or dissemination.

This disposition applies to electronic copies of all items covered under Disposition Jobs N1-255-94-1 and N1-255-94-3, in the NASA Records Retention Schedule 2, with the following exception:

- Item 13 (Automated Data Processing (ADP) Records -- General)

In addition, this disposition does not apply to any item already covered by the General Records Schedules.

a. Electronic copies created on electronic mail and word processing systems that have no further administrative value after recordkeeping copy is made.

Delete after recordkeeping copy has been produced and dissemination, revision, or updating is completed.

b. Electronic copies used for dissemination, revision, or updating that are maintained in addition to the recordkeeping copy.

Delete when dissemination, revision or updating is completed.
