The system began in 1938 and the last input to the system ceased in 1967. The punch card had the subject of the intelligence report, occasionally a synopsis of the report, and location with the library. With the demise of the library, all of the reports were relocated to the Agency Records Center and cataloged (by title, report number, and new location) in the Records Center database. The Agency Records Center database replaced the predecessor punch card system as a finding aid for all of these intelligence reports that have been designated permanent.</p> <p>Final Disposition                      <b>Temporary</b></p> <p>Item Status                                <b>Active</b></p> <p>Is this item media neutral?            <b>No</b></p> <p>Explanation of limitation              <b>Paper records.</b></p> <p>Do any of the records covered by this item currently exist in electronic format(s) other than e-mail and word processing?      <b>No</b></p> <p>GRS or Superseded Authority Citation      <b>NC1-263-77-02 / 61/d/1</b></p> <p><b>Disposition Instruction</b></p> <p>Retention Period                         <b>Destroy immediately after approval of schedule</b></p> <p><b>Additional Information</b></p> <p>GAO Approval                              <b>Not Required</b></p>
