1. Ownership Report System (ORS), 1975 - ongoing

The Ownership Report System contains reports of the buying and selling of stock by individuals with "insider relationships" or beneficial ownership of stock as defined by Sections 12 and 16(a) of the Public Utility Holding Company Act of 1935 and section 30(f) of the Investment Company Act of the 1940. The reports must be filed by directors or officers of an issuer with a class of equity securities registered pursuant to Section 12 of the Securities Exchange Act of 1934 or any beneficial owner of greater than ten percent of such a class of equity securities; by officers or directors of registered holding companies pursuant to Section 17 of the Public Utility Holding Company Act of 1935; by any officer, director, member of an advisory board, investment adviser, affiliated person of an investment adviser, or beneficial owner of more than ten percent of any class of outstanding securities (other than short-term paper) of a registered closed-end investment company, under Section 30(f) of the Investment Company Act of 1940; and by any trust, trustee, beneficiary or settlor required to report pursuant to Rule 16a-8. The information is collected by SEC pursuant to Sections 16(a) and 23(a) of the Securities Exchange Act of 1934; Sections 17(a) and 20(a) of the Public Utility Holding Company Act of 1935; and Sections 30(f) and 38 of the Investment Company Act of 1940.

The data comes from SEC Form 3: Initial Statement of Beneficial Ownership of Securities; SEC Form 4: Statement of Changes of Beneficial Ownership of Securities; and SEC Form 5: Annual Statement of Beneficial Ownership of Securities. The records identify the security traded, the name of the filer and relationship to the issuer of the security, the nature of ownership, the issuer name, security name, date and type of transaction, number of shares and price per share, holdings at the end of the reporting period, reporting form, and date SEC received the form.
