## MEMORANDUM

March 24, 1995

TO: Marc Wolfe,  
NARA

FROM: Suzanne McHugh  
Records Officer

SUBJECT: Job No. N1-266-94-2

Per our conversation this date, Item 1A of the above schedule should include the records in paper form that predate 1979, which are now stored in the Federal Records Center, Suitland, MD.

Please give me a call if you have any other questions.

Ms. McHugh indicated that the paper records should be scheduled for destruction 50 years after the broker-dealer's registration is withdrawn. This will be difficult to implement because the records stored at WARC are mixed between active and inactive dealers. She will ask her tech people for statistics on the percentage of pre-1979 registrations are withdrawn. If the amount is high enough, she will generate listings by broker name and number and determine if it is feasible to pull back and segregate inactive records from selected accessions.

A new item was added to the schedule.
