This appendix describes program files accumulated in connection with accounts payable operations. Accounts payable operations are concerned with recording obligations, administrative audit of vendor invoices, and preparation of disbursement schedules for transmittal to the Department of the Treasury disbursing offices. Program files documenting GSA's accounts payable operations are created as a result of responsibilities outlined in the GSA Organization Manual (OFA P 5440.1) and in accounting, credit, and finance orders and handbooks.

The original paper records for the program files described in this appendix may be converted to microform and the original paper records may be destroyed provided that the requirements and standards of the HB, GSA Micrographics Management Program, chs. 3-1, 3-3, 4-3, and 4-4 (OAD P 1882.1), are met.

Mr. William Hiebert
Acting Chief, Records Management Branch
Office of Human Resources and Organization
General Services Administration
Washington, DC 20405

Dear Mr. Hiebert:

We have reviewed your request dated September 24, 1979, for records disposal authority for chapter 16-C to the HB, GSA Records Maintenance and Disposition System (OAD P 1820.2), applicable to Accounts Payable Program Files.

The proposed retention period would be adequate for all items except the one specified for item 16C10. That item contains items of unliquidated obligations and the proposed retention period was only 3 years after the cutoff at the end of each fiscal year. As specified in item 5 of the General Services Administration Records Schedule 5, the retention period for these records should be 5 years after the cutoff at the end of each fiscal year.

When this change is made to item 16C10, we will have no objections to the proposed retention periods.

Sincerely,

Norna Stapleson
Records Management Officer
