**System Name:** Certificate of Competency Automated Computer System (COCACS)  
**Program:** Office of Government Contracting, Office of Government Contracting and Business Development  
**Legal Authority:** 15 U.S.C. 634 (b)(6), 637 and 644; 31 U.S.C. 9701, 9702  
**Applicability:** Agency-wide  
**Restrictions:** This system contains information restricted under the Privacy Act. This system contains confidential commercial or financial information the disclosure of which might be restricted under the Freedom of Information Act (FOIA).  
**Purpose:** This system was designed to replace the manual data collection procedures used to gather and process information related to the Certificate of Competency Program (COC). The primary objective of the system is to collect and maintain data on COC case processing. The system also establishes regional data bases which will allow greater accuracy in tracking and processing COC cases. The information in the regional databases is uploaded to the SBA LAN via discs for consolidation of the data and for use in developing national statistics. GC Headquarters, Area Office, and Post of Duty staffs use it in management of the Certificate of Competency Program (COC).
