APPRAISAL REPORT

Disposal Job No. NC-174-231

Approved for Disposal:

Item 1b is disposable because it does not have sufficient value for purposes of historical or other research, functional documentation, or the protection of individual rights to warrant permanent retention by the Federal Government.

Not Approved for Disposal:

Item 1a is scheduled for permanent retention because it consists of selected docket records which have exceptional value in documenting the commercial nuclear reactor licensing program. AEC will offer item 1a to the National Archives after the pertinent license terminates and the administrative value of these records to AEC expires.
