**BUREAU OF CERTIFICATION AND LICENSING**  
**Office of Passenger Vessels and Information Processing**

**Passenger Vessel Operator (PVO) Database.** This is an automated information system used to record information concerning passenger vessels subject to the FMC's regulations. The system generates only ad hoc reports. [These records are not subject to the Privacy Act.]

1. **PVO Database Master Files:** All data are maintained on-line. Data elements recorded for each passenger vessel include names, owners and operators of passenger vessels; monthly amounts of unearned revenue; financial responsibility information; and certification information about vessels operating in the program. The records can be searched by company name, organization number, and owners/operators. **New**

**DISPOSITION: Temporary.** Cut off record of entity at end of calendar year in which entity ceases to exist or offer services regulated by the Commission; destroy/delete record of entity 25 years after cutoff or when no longer needed for reference, whichever is later.
