EPA Records Schedule 003

Status: Development, 01/04/2006

Title: Grants and Other Program Support Agreements

Program: All Programs, with exceptions

Applicability: Agency-wide

NARA Disposal Authority:

• Pending

Description:

Includes records that document all types of agreements with other federal, state, or local government agencies, universities, non-profit organizations, and other institutions to which EPA is a party, and which support EPA's environmental programs (other than Superfund site specific, wastewater construction and state revolving fund grants, and tribal grants). Specific types of agreements include assistance agreements, grants, cooperative agreements, interagency agreements, agreements for "guest" workers, and other types of program support agreements administered by headquarters or EPA regions and which provide for research, demonstration projects, training, fellowships, investigation, surveys, studies, or other types of program support activities.

Also includes supporting documentation. Specific types of records include, but are not limited to, documentation of significant actions and decisions relating to and supporting the award of agreements, documentation of actions and decisions relating to the competition of agreements, announcements and solicitations of funding opportunities, justifications, requests and justifications for the non-competitive award of agreements, cost estimates, scopes of work, correspondence, applications, pre-award reviews, funding decisions, award documentation, documentation relating to the evaluation of proposals and applications, conflict of interest documentation, transmittal correspondence, agreements, agreement oversight activities, non-compliance documentation, dispute documentation, audit records, closeout documentation for completed agreements, and reports and evaluations resulting from agreements.

Excludes: Final products and deliverables (EPA 258), Superfund site-specific grants and agreements (EPA 001), wastewater construction and state revolving fund grants (EPA 232), and tribal grants (EPA 244).

Disposition Instructions:

Item a: Record copy

• Disposable
• Close file immediately after closeout of the agreement. Destroy 7 years after file closure.
Item b: Electronic copies created with word processing and electronic mail applications

- Disposable
- Destroy when record copy is generated.

Guidance:

Agreement closeout is when the Agency determines all administrative actions and required work is completed (submission of the final expenditure report, SF 269 - Financial Status Report, by the recipient) or when the agreement is terminated or annulled and any disputes settled. Final closeout documentation may consist only of an internal Agency memo.

The Grants Administrator (also called the Grants Management Officer), Grant Project Officer, and Financial Management Officer are responsible for the record copies of grant agreement records and implementing the disposition. Records can include unique program files maintained by the grant project officer or client or technical representative and documentation relating to the grant competitions. All other copies may be destroyed when no longer needed.

The following offices and managers are responsible for maintaining a complete record set and dispositioning documents as designated below:

Grants Management Officer (Grants Specialist) - Record copy of applications; reviews and amendments related to the application; administrative review checklist; certifications; agreements and any amendments; award documentation including documentation supporting the decision to make an award; requests for deviations; stop work orders; documentation relating to termination actions, disputes and appeals, annulments and audits; legal opinions; financial status reports; and increases and decreases; correspondence and other related documents. See EPA 183 for Grant and Other Agreement Oversight records.

Program Office (Project Officer) - Record copy of documents used for day-to-day technical assistance for the grant or interagency agreement such as draft and final products and deliverables; work plans and progress reports; draft documents and comments provided or other records of technical direction. Copies of applications, awards, amendments and other administrative and financial documents. Documentation relating to the competition of assistance agreements including announcements, correspondence with applicants, evaluation documentation, and other documents relating to the selection or non-selection of applicants for award of an agreement. Documents relating to requests and justifications for non-competitive award of assistance agreements and disputes.

Financial Management Officer - Record copy of reimbursement requests, payment vouchers, payment files, federal cash transaction reports; copies of financial status report and other related documents.

Grants and agreements that are being audited, appealed, or in any other kind of legal action can not be destroyed until the case is closed. See EPA 680 for the Grant Appeal File and EPA 183 for Grant and Other Agreement Oversight.

See EPA 274 for Unsuccessful Grant Application Files. Final products and deliverables are permanent records and are scheduled as EPA 258. Superfund site specific grants are scheduled as EPA 001; waste water construction and state revolving fund grants as EPA 232; and tribal grants as EPA 244. Contracts are covered under EPA 020, EPA 055, EPA 202, and EPA 258. The Grants Information and Control System is scheduled as EPA 575. EPA 009 covers the Integrated Grants Management System (IGMS).
Reasons for Disposition:

The disposition instructions have been rewritten as media neutral to allow for maintaining the record copy in EPA's electronic recordkeeping system. The retention has not changed.

EPA Records Schedule 099

Status: Development, 01/04/2006

Title: Pilot Projects

Program: All Programs

Applicability: Agency-wide

NARA Disposal Authority:

- Pending

Description:

Contains supporting documentation relating to pilot projects which explore new technologies, cleanup methods, etc., to improve the environment in a variety of ways. Frequently a pilot is conducted on a small scale to determine the feasibility of full-scale implementation. Examples include the Medical Waste Tracking demonstration program, Environmental Leadership Pilot Project which encourages facilities to develop innovative auditing and compliance programs and to reduce the risk of non-compliance through pollution prevention practices, and the Delaware Estuary project designed to facilitate access to environmental data in the Delaware Estuary Region. Records consist of proposals, monitoring and measurement plans, correspondence, progress reports, and related documentation.

Excludes: Final reports which are scheduled as EPA 258 and unsuccessful bids and proposals which are scheduled as EPA 275.

Disposition Instructions:

Item a: Record copy

- Disposable
- Close file at the completion of the project. Destroy 10 years after file closure.

Item b: Electronic copies created with electronic mail and word processing applications

- Disposable
- Destroy when record copy is generated.

Guidance:

If the pilot project becomes an Agency program, the records series must be scheduled separately. A copy of the final report, along with any background documentation generated before the pilot project was initiated, may be filed in Program Development Files - EPA 145. Copies of documents incorporated into program development files or other series are to be retired according to the disposition instructions for
the related series.

Unsuccessful bids and proposals are covered in EPA 275. Final deliverables and reports are scheduled as EPA 258.

Documentation for electronic systems pilot projects is covered in EPA 304 - Systems Documentation.

EPA Records Schedule 202

**Status:** Final, 10/31/2008

**Title:** Contract Management Records

**Program:** All Programs, with exceptions

**Applicability:** Agency-wide

**Function:** 405 - Supply Chain Management

**NARA Disposal Authority:**

This schedule authorizes the disposition of the record copy in any media (media neutral), excluding any records already in electronic form. Records designated for permanent retention must be transferred to the National Archives in accordance with NARA standards at the time of transfer.

- N1-412-06-6/5

**Description:**

Contract records include all correspondence and related records pertaining to the award, administration, receipt, inspection and payment of any and all contracts to which EPA is a party and which are maintained and used for contract documentation and for performance and financial monitoring and oversight activities. Also includes reviews and audits conducted by the Financial Analysis and Rate Negotiation Service Center (FARSC).

Excludes: Superfund site-specific contract management records scheduled as EPA 020, final deliverables scheduled as EPA 258; and unsuccessful bids and proposals not filed with the related contract case files scheduled as EPA 275.

**Disposition Instructions:**

**Item a:** Contracting Officer (CO)

- Disposable
  - Close inactive records upon final payment for the overall contract.
  - Destroy 6 years and 3 months after file closure.

**Item b:** Contract-level Contracting Officer's Representative (COR)

Formerly called Project Officer (PO)

- Disposable
  - Close inactive records upon filing of final invoice or completion or termination of the task order or
work assignment.

- Destroy 6 years and 3 months after final payment for the overall contract

**Item c: Other Contracting Officer's Representatives (CORs)**

Includes Delivery Order CORs, Simplified Acquisition CORs, Task Order CORs, and Work Assignment CORs. Formerly called Delivery Order Project Officers (DOPOs) or Work Assignment Managers (WAMs)

- Disposable

- Close inactive records upon filing of final invoice or completion or termination of the task order or work assignment.

- Destroy 6 years and 3 months after final payment for the overall contract.

**Guidance:**

This schedule covers management of contracts by headquarters or field offices, including Tribal contracts, except for site-specific Superfund contracts scheduled as EPA 020 Superfund site-specific work assignments, task orders, and technical direction documents must be handled in accordance with instructions in EPA 020 Determination of whether a Superfund contract is covered by EPA 020 or EPA 202 is made by the COR.

Final deliverables are scheduled as EPA 258 Unsuccessful bids and proposals and canceled solicitations not maintained with the related contract case files are scheduled as EPA 275 Contracts that are being audited, protested, or are in any other kind of legal action can not be destroyed until the case is closed. See EPA 679 for bid protest appeals, EPA 656 for Board of Contract appeals cases, and EPA 657 for GAO contract bid protest cases. Routine requisitions, purchase orders, leases, and bond and surety agreements not related to contracts are covered in EPA 036 for routine procurement files.

Copies incorporated into other files are retained according to the disposition instructions for the records they support.

Records containing sensitive information must be shredded or otherwise definitively destroyed to protect confidentiality.

Contracting officers and CORs should work together to determine who is responsible for maintaining specific documents to minimize duplication while still providing an adequate audit trail. The following are general guidelines

a. Contracting Officer (CO) - Record copy of RFPs; successful bids and proposals; contract and modifications; copies of financial and payment documents; contract specifications, drawings or manuals incorporated into the contract by reference; performance evaluations; technical and financial progress reports; statements of work (SOWs) and level of effort (LOE) documents, COR designations; notices to proceed, stop work or correct deficiencies, and related documents

b. Contract-level COR - Supporting documentation of performance evaluations, technical and financial progress reports, invoices and invoice approvals
c Other CORs - Record copy of documents used for day-to-day technical direction of the task order or work assignment. Documents include work plans and schedules, amendments and/or modifications, draft deliverables submitted by the contractor, comments provided to the contractor or other records of technical direction, contract monitoring logs and communication records, cost estimates, meeting records and notes, evaluation forms, supporting documentation for statements of work (SOWs) and level of effort (LOE) documents, amendments and modifications, invoices and invoice approvals.
