EPA 258 – Final Deliverables and Reports

N1-412-94-2/37

Agency: DR, DWMD, NWME, NWMD

EPA Records Schedule 258

Status: Final, 10/31/2008

Title: Final Deliverables and Reports

Program: All Programs

Applicability: Agency-wide

Function: 305-109-01 - Tech Transfer and Training

NARA Disposal Authority:

This schedule authorizes the disposition of the record copy in any media (media neutral), excluding any records already in electronic form. Records designated for permanent retention must be transferred to the National Archives in accordance with NARA standards at the time of transfer.

- N1-412-06-27

Description:

Consists of final draft and final deliverables, products, and reports submitted by contractors and grantees to the Agency, or produced in-house by individuals, committees, or task forces. Also includes final reports resulting from special studies and surveys completed within the Agency.

Disposition Instructions:

Item a(1): Environmental programs, except Superfund site-specific - Nonelectronic

- **Permanent**
- Close inactive records upon completion of project.
- Transfer to the National Archives 20 years after file closure

Item a(2): Environmental programs, except Superfund site-specific - Electronic

- **Permanent**
- Close inactive records upon completion of project
- Transfer to the National Archives 5 years after file closure, with any related documentation and external finding aids, as specified in 36 CFR 1228.270 or standards applicable at the time.

Item a(3): Environmental programs, except Superfund site-specific - Electronic copy of records transferred to the National Archives

- **Disposable**

- Close file upon transfer to the National Archives
- Delete after electronic record copy is successfully transferred to the National Archives

Item b: Superfund site-specific

- **Disposable**
- Close inactive records upon completion of project
- Destroy 30 years after file closure.

Item c: Non-environmental programs

- **Disposable**
- Close inactive records upon completion of project
- Destroy 7 years after file closure

Guidance:

Copies incorporated into other files (e.g., Superfund site files) are to be retained according to the disposition instructions for the records they support

Draft deliverables, interim products, and other documents for contracts and grants that do not have long term or permanent value should be filed with other contract and grant documentation. See EPA 020 for Superfund site-specific contract management records, EPA 202 for other contract management records, EPA 001 for Superfund site-specific grants and other program support agreements, EPA 003 for other grants and program support agreements; and EPA 232 for waste water construction and state revolving fund grants. Also see EPA 005 for special studies not covered by other program specific schedules, and EPA 099 for pilot projects.

Databases specifically established as part of a deliverable or report are not covered by this schedule and need to be scheduled separately.

Deliverables in formats other than paper (e.g., computer disks, audio- or videotapes) may require special handling and storage facilities.

Reasons for Disposition:

The following changes were made in the 10/31/2008 version:

- Revised wording in description to eliminate duplication
- Shorted titles of all disposition items.
- Reorganized guidance and reasons for disposition.
- Updated cross references.

The disposition instructions have been rewritten as media neutral to allow for maintaining the record copy

in EPA's electronic recordkeeping system. The retention has not changed.

The following changes were made in the 02/29/2008 version:

- Divided item a into three subitems, a(1)-(3).
- Revised the title of disposition items a(1)-(3)
- Revised the disposition instruction for item a(3).

Item d for electronic copies created with word processing and electronic mail applications was deleted 08/09/2006 pursuant to NARA Bulletin 2006-04.

Previous scheduled items combined into this schedule were for the following programs: Water, Solid Waste, Emergency and Remedial Response, Toxic Substances, Air Quality Planning and Standards, and Radiation. Specific item numbers are cited below.
