**Item b(3):** Water standards - Documents pertaining to interim program for controlling water pollutants

Includes documents and data relating to statement of program, analysis of state laws, interim authorization, various programs and authorities, and statements from Attorney General.

- Disposable
  - Close inactive records upon completion of the program.
  - Destroy 20 years after file closure.

#### Guidance:

Similar records maintained by the Office of General Counsel are scheduled as EPA 676 for development of enforcement and environmental standards by states. Other records related to operation of state programs include: EPA 203 for state oversight; EPA 204 for state program authorizations and approvals; and EPA 217 for state implementation plans (SIPS).

## **Reasons for Disposition:**

The disposition instructions have been rewritten as media neutral to allow for maintaining the record copy in EPA's electronic recordkeeping system. The retention has not changed.

The following changes were made in the 02/29/2008 version:

- Divided item b(2) into three subitems, b(2)(a)-b(2)(c).
- Revised the titles of disposition items b(2)(a)-b(2)(c).
- Revised the disposition instruction for item b(2)(c).

Item c for electronic copies created with word processing and electronic mail applications deleted 08/23/2006 pursuant to NARA Bulletin 2006-04.
