Item a: Record copy

- Disposable

Agreement closeout is when the Agency determines all administrative actions and required work is completed (submission of the final expenditure report, SF 269 - Financial Status Report, by the recipient) or when the agreement is terminated or annulled and any disputes settled. Final closeout documentation may consist only of an internal Agency memo.

The Grants Administrator (also called the Grants Management Officer), Grant Project Officer, and Financial Management Officer are responsible for the record copies of grant agreement records and implementing the disposition. Records can include unique program files maintained by the grant project officer or client or technical representative and documentation relating to the assistance agreement competitions. All other copies may be destroyed when no longer needed.

Program Office (Project Officer) - Record copy of documents used for day-to-day technical assistance for the grant or interagency agreement such as draft and final products and deliverables; work plans and progress reports; draft documents and comments provided or other records of technical direction. Copies of applications, awards, amendments and other administrative and financial documents. Documentation relating to the competition of assistance agreements including announcements, correspondence with applicants, evaluation and selection documentation, and other documents relating to the selection or non-selection of applicants for award of an agreement.
