EPA Records Schedule 022

Status: Development, 04/30/2008

Title: Integrated Data for Enforcement Analysis (IDEA)

Program: Enforcement and Compliance Assurance

Applicability: Headquarters

Function: 108-025-08 - Compliance and Enforcement

NARA Disposal Authority:

This schedule authorizes the disposition of the record copy in any media (media neutral), excluding any records already in electronic form. Records designated for permanent retention must be transferred to the National Archives in accordance with NARA standards at the time of transfer.

- Pending

Description:

The Integrated Data for Enforcement Analysis (IDEA) system contains a comprehensive profile of inspections, enforcement actions, penalties assessed, toxic chemicals released, and emergency hazardous spills for more than one million EPA-regulated facilities. The information is copied monthly from several EPA air, water, hazardous waste, toxic chemical release, and emergency response notification systems. The system has two Web interfaces: (1) Online Tracking Information System (OTIS) which provides online access to enforcement and compliance data to government employees; and (2) Enforcement and Compliance History Online (ECHO) which is publicly available.
