1) Hazardous Waste Data Management System (HWDMS)

System maintains information on hazardous waste treatment, storage, and disposal facilities that are regulated under the Resource Conservation and Recovery Act of 1976. Information includes tracking permit processing activities, compliance monitoring and enforcement activities, and related financial management data.

Destroy upon approval of this schedule. Supersedes NC1-412-81-18, item 5.

2) Corrective Action Reporting System (CARS)

System captures information about corrective actions required of hazardous waste facilities throughout the United States.

Destroy upon approval of this schedule.

Note: Pertinent information from both systems has been migrated to the Resources Conservation Recovery Information System scheduled for permanent retention under N1-412-94-5.
