PBGC Simplified Records Schedules

Schedule 1: Administrative Schedule

The Administrative Schedule covers agency-wide support functions and administrative program management functions carried out across the agency that support PBGC's mission and routine operations, but do not directly document the performance of mission and policy functions. Administrative records relate to common agency-wide functions such as: budget and finance, communications, information technology and services, legal, payroll and benefits, personnel, procurement and supply, public and congressional relations, security, and travel. This records schedule covers those PBGC administrative support records represented and not represented by the General Records Schedule (GRS), and covers records in all format.

These records are created and maintained in different media and formats and this records schedule is written to authorize the disposition of the records in any media. PBGC is responsible for maintaining these records throughout their life cycle while under the responsibility of PBGC.

This records schedule applies to all organizational elements of PBGC. All previously approved records schedules of the PBGC are superseded and cancelled by this schedule and the associated Mission and Policy Schedules.

~~Item 1.1: Transitory Administrative Records.~~

~~Materials generated or received that are of short-term interest.~~

~~**TEMPORARY:** Destroy or delete after 180 days or when no longer of value to the organization. *Per GRS 23, Records Common to Most Office within Agencies, item 7, Transitory Files.*~~

Item 1.2: Administrative Records.

Administrative support records are those records prepared or received by individual offices necessary to perform the day-to-day, normal, and routine internal administration or housekeeping activities in support of organization and staff efforts to accomplish the PBGC mission. These records include final and preliminary versions of items, working files, background papers, and communications (including e-mails) of business value (e.g. items documenting decisions, knowledge, or reusable work products). Administrative support records, after initial declaration, may be identified as significant to one or more complex records. Such records may be moved or copied to, and become part of the more complex record or records, and managed accordingly. Administrative support records address matters within, but not limited to, the subject areas below.

- Administrative – General
- Audit and Investigation Reports

PBGC Simplified Records Schedules

Schedule 2: Mission Schedule

The Pension Benefit Guaranty Corporation (PBGC) was established under title IV of the Employee Retirement Income Security Act of 1974 (ERISA) (88 Stat. 829, Public Law 93-406) with the mission to insure private pension beneficiaries against the complete loss of promised benefits if their defined benefit pension plan is terminated without adequate funding. Mission Schedule records document PBGC policies and procedures to establish and maintain its responsibilities with regard to accomplishing agency functions. This records schedule covers those PBGC mission support records represented and not represented by the General Records Schedule (GRS), and covers records in all formats.

These records are created and maintained in different media and formats and this records schedule is written to authorize the disposition of the records in any media. PBGC is responsible for maintaining these records throughout their life cycle while under the responsibility of PBGC.

This records schedule applies to all organizational elements of PBGC. All previously approved records schedules of the PBGC are superseded and cancelled by this schedule and the associated Administrative and Policy Schedules.

Item 2.1: Plan, Participant, and Insurance Records.

Plan, Participant and Insurance Records are those coverage, plan, termination, participant, benefit, funds, premiums, and investment records prepared or received by individual offices to document and manage the day-to-day, normal, and routine processing activities that accomplish the PBGC mission. These records include final and preliminary versions of items, working files, background papers, and communications (including e-mails) of business value (e.g. items documenting decisions, knowledge, or reusable work products). Plan, Participant and Insurance Records, after initial declaration, may, at any time, be deemed significant and may be moved or copied to, and become part of the more complex record or records, and managed accordingly.
