The records relate to the administration of the Thrift Savings Plan by a designated record keeper (currently the National Finance Center of the U.S. Department of Agriculture). The records are contained on 8mm electronic cartridges used to tape conversations between participants, beneficiaries, agency representatives, and other third parties and the representatives of the Thrift Savings Plan Service Office, Operations Branch, and Accounting Office. These conversations provide participant account information to participants, personnel/payroll offices, Congressional offices, financial institutions, and certain other interested third parties.

Disposition: Cut off tapes at the end of each calendar year. Destroy 4 years after cutoff.
