ITEM 2b

AGENCY AGREED WITH CHANGE PER TELEPHONE CONFERENCE OF 2/8/2013

Background Information

The Thrift Savings Plan (TSP) is a retirement savings and investment plan for Federal employees established in the Federal Employees' Retirement System Act of 1986, which has been codified as amended largely at 5 U.S.C §§ 8401-8479 (1994). It is managed by the Federal Retirement Thrift Investment Board.

Description of Items and Proposed Disposition Authority

Monthly Memoranda on the Status of the Budget, N1-474-97-2, item 2

This revised Schedule is being submitted to gain media neutral approval for the recordkeeping copy.

Changes to the Schedule follow.

- 1 Recordkeeping copy added to description for item a, which is a separate and distinct record with related materials from other copies
- 2 In item a) the obsolete term of "Office of Accounting" has been replaced with Office of Finance, Accounting Group, and so states:

. . monthly summary reports received from the Office of Finance, Accounting Group.

The proposed additions to the existing Schedule will enable electronic storage of a major record generated within the Office of Finance's Budget Group as part of the annual budget request process. The Office of Finance's Budget Group is responsible for control activities of the Federal Retirement Thrift Investment Board (FRTIB), such as budget, and other fiduciary management in its financial oversight.
