Background Information

The Peace Corps' Third Goal is to promote a better understanding of other peoples on the part of Americans by sharing their Peace Corps experience with American communities. Returned Volunteer Services (RVS) provides career, educational, and transitional assistance to more than 3,500 Volunteers who return to the United States each year. World Wise Schools (WWS) works to fulfill the third goal of the Peace Corps by educating Americans about the people and countries where Peace Corps Volunteers serve, broadening their perspectives, increasing cultural awareness, understanding global connections, and gaining a firsthand account of what life is like for a Peace Corps Volunteer.
