**8. DESCRIPTION OF ITEM AND PROPOSED DISPOSITION**  
Peace Corps Volunteers currently serve in 76 countries in Africa, Asia, the Caribbean, Central and South America, Europe, and the Middle East. Collaborating with local community members, Volunteers work in areas like education, youth outreach and community development, the environment, and information technology.

Each country served by the Peace Corps has an overseas post, usually located in the capital of the country. Each post has a Peace Corps country director and a staff of administrative, program support, training and health professionals. Their jobs are to provide Volunteer support and implement the Peace Corps program. Staffs are composed of both Americans and host country nationals or citizens of other countries.

Each overseas post has a comprehensive health program for Volunteers, managed by a Peace Corps Medical Officer (PCMO), a physician, physician’s assistant, nurse practitioner, or nurse.
