Background Information

The Broadcasting Board of Governors (BBG) became an independent agency on October 1, 1999, by authority of the Foreign Affairs Reform and Restructuring Act of 1998 (22 U.S.C. 6501 note). It is composed of nine members. Eight members are appointed by the President and confirmed by the Senate; the ninth, an ex officio member, is the Secretary of State.

The BBG serves as the governing body for all civilian U.S. international broadcasting and provides programming in 59 languages via radio, television, and the Internet. The BBG broadcast services include the Voice of America, the Office of Cuba Broadcasting, Radio Free Europe/Radio Liberty, Radio Free Asia, and the Middle East Broadcasting Networks.

All BBG broadcast services adhere to the broadcasting standards and principles of the International Broadcasting Act of 1994, which include reliable, accurate, and comprehensive news; balanced and comprehensive presentations of U.S. thought, institutions, and policies, as well as discussions about those policies; information about developments throughout the world; and a variety of opinions from nations around the world.

Activities

International Broadcasting Bureau

The International Broadcasting Bureau (IBB) provides all transmission, marketing, and program placement services. The

Bureau manages a global network of transmitting sites, an extensive system of leased satellite and fiber optic circuits, and a rapidly growing Internet delivery system. The Bureau also assists BBG networks in the usage of Internet services, mobile devices, social media, and other digital platforms; provides research and evaluations of broadcasts; and crafts Voice of America editorials. IBB also provides assistance with human resources and equal employment opportunities, procurement, security, information technology, and other essential administrative services.

Voice of America

Voice of America (VOA) is a multimedia international broadcasting service funded by the U.S. Government through the Broadcasting Board of Governors. VOA broadcasts approximately 1,599 hours of news, information, educational, and cultural programming every week to an estimated worldwide audience of approximately 123 million people. Programs are produced in 44 languages.

Office of Cuba Broadcasting

The Office of Cuba Broadcasting oversees Radio Marti and TV Marti. These two Spanish language services provide news about Cuba and the world, features, and entertainment programs aimed at Cuba. Based in Miami, these comprehensive and timely broadcasts offer Cubans the opportunity to receive unfiltered and accurate information. Radio and TV Marti are disseminated through medium wave (AM), shortwave, Internet, digital media, and satellite.

Radio Free Europe/Radio Liberty (RFE/RL), Radio Free Asia (RFA), and the Middle East Broadcasting Networks (MBN) are grantee organizations. The program and social media records of these networks are not Federal records and are thus not covered by this schedule.
