Meetings Records

Meetings of the Executive Board and its subgroups provide important documentation of NWCG activities and decisions. Examples of records appropriate for filing in the MEET section are: approved versions of minutes for meetings of the Executive Board, chartered committees, subcommittees, units, subunits, boards, and task teams; material used during meetings including agendas, handouts, and presentation materials; and documentation of the meeting such as notes for compiling minutes and recording files of meetings in any format such as webcasts, podcasts, sound recordings, video, and webinar files.
