COURT SYSTEMS DIVISION

The Court Systems Division (COSD) designs, develops, enhances, tests, documents, delivers, and supports automated systems applications in the courts. COSD also develops and conducts automation training for court systems managers. They maintain policies, procedures, and guidelines regarding automated system development. Ensures compliance with applicable laws, federal automation IRM regulations, guidelines and standards. Develops court automated systems nationwide.

STATISTICS DIVISION

The Statistics Division (SD) designs and maintains statistical systems providing information on the workload of the federal courts; prepares reports to meet the Director's statutory requirements for reporting to the Judicial Conference and the Congress; and provides statistical expertise to the judiciary for the purposes of planning for and allocating resources.

APPELLATE COURT AND CIRCUIT ADMINISTRATION DIVISION

The Appellate Court and Circuit Administration Division (ACCAD) serves as liaison among the appellate courts, the judicial councils of the circuits, the circuit executives, and the Administrative Office on matters relating to the circuit executives, clerks of court, staff attorneys and preargument conference attorneys. It assists the Director and the appellate courts in discharging their administrative responsibilities, implements staffing formulas for resource allocation, manages automation projects, and identifies and develops effective and efficient management procedures (including case management) to assist the appellate courts and the circuit executives in their operations.

1.

"Appellate Information Management System (AIMS)".

Electronic docketing and case management system which also provides judicial and caseload statistics for transmission to the Administrative Office. Statistical data including case opening and closing data. Case opening data includes circuit, docket number and date, case number, appellant and appellee name, type of appeal, attorneys and related attorney information, lower court information, motions and orders filed, court deadlines, hearing dates and locations, panel members, writing judge, case administrative information, original proceeding data, nature of suit, and originating district data. Case closing data includes disposition action, judicial action, opinion/order, procedural progress dates, and termination judge information. Data are reported monthly in the JS-34 U.S. Court of Appeals Docket Report.

Disposition: PERMANENT. Copy closed or inactive cases to archives tapes. Transfer, with complete documentation, to National Archives annually.
