Dear Mr. King:

The National Archives and Records Administration (NARA) has been notified of a potential unauthorized destruction of records at the Department of the Navy. A member of the public has alleged that the Navy's Office of Judge Advocate General has destroyed or will imminently destroy FOIA records of 67 moot appellate determinations cited in Navy's Annual FOIA report and sought in FOIA request FOIA DON 21-A (Agency Case # DON-NAVY-2021-006765).

NARA requests that the Navy investigate this matter to determine if all applicable FOIA records were provided at the time of the request and whether responsive records were, or will be, destroyed in accordance with the appropriate records disposition schedules. Please note that per 36 CFR 1230.14, if records have been destroyed without NARA's proper authorization, the agency must report these incidents promptly to NARA.

NARA requests that you provide NARA with a response within 30 days in accordance with 36 CFR 1230.16. Your report should include a description of the records; the records schedule disposition citation that covers the files; details regarding the records destruction incident and recovery efforts; and a statement of the safeguards that have been or will be implemented to prevent future unauthorized disposals of such records. If you have any questions, please contact me at laurence.brewer@nara.gov. Thank you for your attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads "Laurence V. Brewer". The signature is written in a cursive style with a large initial 'L' and a distinct 'V'.
