Dear Ms. Fitzgerald:

The National Archives and Records Administration (NARA) acknowledges receipt of the FBI's report regarding a media report of an alleged unauthorized disposition of files maintained on its servers that pertain to certain high-profile cases.

The FBI stated it conducted a thorough review of its certified recordkeeping system and discussed the matter with responsible offices. The FBI reported it found no evidence to corroborate the allegation.

NARA considers this matter closed. I appreciate your attention to it. If you have any questions or wish to discuss further, please contact the Records Management Oversight and Reporting Program by email at [UnauthorizedDisposition@nara.gov](mailto:UnauthorizedDisposition@nara.gov).

Sincerely,

WILLIAM FISCHER  
Chief Records Officer  
for the U.S. Government (Acting)
