Subscribing to alerts on Regulations.gov

Each Federal Register Notice will have a docket on <u>Regulations.gov</u> that contains the Records Schedules open for review and comment. Users will need to subscribe to alerts for each individual docket and cannot subscribe to all Records Schedules dockets similar to what can be done on the Federal Register website. Alerts will notify users when anything is added or modified to the docket (i.e. whenever a new comment is posted or when NARA posts a Consolidated Reply to comments received). To subscribe to alerts on a particular docket, navigate to the Docket Folder Summary. Click on Sign up for Email Alerts in the upper right.
