(Text) Berlin--An army convoy of U.S. occupation troops on the morning of 4 November again refused to be processed in the proper manner at the GDR autobahn Marienborn checkpoint on the state frontier with West Germany. The army trucks are impeding traffic on the autobahn. The refusal occurred although a spokesman of the occupying powers in West Berlin stated on 3 November that the Western powers would in the future cease their provocations on communications lines between West Germany and West Berlin and submit to checks in the proper manner.
