

WEST BERLIN POLICE KNEW OF ESCAPE PLANS

East Berlin Domestic Service in German 2233 GMT 5 October 1964--G

(Text) According to the Associated Press, the West Berlin police admitted on 5 October that they had been informed of all details of the grave border provocation during the previous night during which the GDR border noncommissioned officer Egon Schulz was insidiously assassinated by West Berlin agents with well-aimed shots.

According to an announcement made by the GDR Defense Ministry, the murderers entered GDR territory through an agents' tunnel made with the approval and support of West Berlin police in order to carry out their long-prepared plot.
