### **RG 84: Foreign Service Posts of the Department of State United States Information Service**

National Archives holdings of United States Information Service (USIS) records are limited. As of March 2016, the following records are accessioned. The reference to “Classified” or “Unclassified” in the series title refers to the original classification, not the current status. Some of these files remain restricted. Researchers should contact the Archives II Reference Branch <[archives2reference@nara.gov](mailto:archives2reference@nara.gov)> for information about the status of records of interest before visiting the National Archives.
