* West African States - 79

12-1-58

 Fay opened - 3-16-59
In order to provide for the expansion of numbers for consulates the following letters (small type) will be added to the number after which the name of the new consulates will fall according to alphabetic arrangement: a, b, c, d, e, f, g, h, i, j, k, m, n, p, q. 

NOTE: The letters (l) and (o) are purposely omitted because of liability of confusion with typewritten figures.

In proceeding to use these letters first use the letter (h), then a letter either before or after (h), then (d), if its alphabetic arrangement places it ahead of the name where the letter (h) was used, or the letter (m) if it comes after. The next letters to be used will be b, f, j and p; after which a, o, e, g, i, k, n and q will be used, always keeping in mind to use the proper letter so that documents will file alphabetically according to the name of the consulate.

No new consulate number will be used without proper authority.

The number in () after a name occurs where there has been a change of the name of the consulate and that number will continue to be used for the new designation.
