D Allegations re Joaquin ORDOQUI Mesa (201-20481)

1. The following information was received on 3 January 1964 from AMFAUNA/13, who received it from Samuel F. PICARD, a Havana businessman, in a letter dated 19 December 1963.

"I am going to give you a report which I do not know how you are going to interpret. It happened in a bus station rest room. A person was in one of the booths. Three old-time Communists came into the rest room talking together about the death of KENNEDY (one of them was ORDOQUI's driver). ORDOQUI's driver was bragging to the others that it was a good thing that KENNEDY was dead, and that he was not surprised because he (the driver) knew that KENNEDY had been under observation for over a month."

2. It is believed that the ORDOQUI mentioned above is identical with Joaquin Odin Agapito ORDOQUI Mesa (201-20481), a member of the National Directorate of the ORI and a key figure in the Cuban Communist movement.
