## MEMORANDUM FOR THE RECORD

SUBJECT: Meeting with HSCA Chief Counsel G. Robert Blakey

1. In the course of a meeting with Mr. Blakey this morning, we
discussed the method by which questions would be put to the agent
in Mexico. It developed that he has in mind two agents, the one about
whom we knew and one with which we were not familiar
(Manuel Calvillo). I think he was not entirely clear as to these two
people, although his alternative approaches place on us a requirement
to be sure that we identify them properly for purposes of his questions,
They are discussed below:
They are discussed below.
a. He recalled that pperated the photo-
graphic surveillance post of the Soviet Embassy. I told
him that I understood that was in charge of the
Cuban coverage.
b. Manuel Calvillo. He understood that Calvillo ran the
Cuban photographic surveillance site. Beyond this,
however, Calvillo was of interest to him for other
reasons. Elena Garo dePaz told of seeing Oswald at
various parties in Mexico City, at the time of his
visit there in 1963. She also said that 'a couple of
days" after the assassination of President Kennedy,
Calvillo picked her up, took her to a hotel and inter-
rogated her.
2. Given the possible confusion of who operated the Cuban and
Soviet OPs, Mr. Blakey said that he would want the individuals
correctly identified and have the questions addressed to them.
correctly identified and have the questions addressed to them.
3. Additionally, Mr. Blakey wants such information as we have
on Calvillo.
on Carvino.
