DISPATCH

5/11

06 We have never discussed about people from Austria.
 06 Because we had no idea how to contact them.
 0 Yes, and also, because this was supposed to be a small meeting.
 0 Now it's smaller than small.
 0 Yes.
 0 There is a possibility to have a representative of the Austrian Centra
 Organizations of Trade Unions. I have friends from Austria and I think
 exchange several comments--ca

0554 06 leaves for Parliament.
 06 ... (something about Hungary, DDR)... Why do you resist every idea I
 06 No, but this has to be agreed upon if they send you. I have never ev
 imagined that somebody would be available from Austria.

0572 06
 06 For instance, here you mention HAROLD (or Hal or Al??) GIBBONS (ph),
 International Teamsters-- As far as I know, this is JIM HOFFA's trade union.

06 JIM?
 06 A real gangster trade union.
 06 I don't think so.
 06 Well, it is. Haven't you seen that film 'On the Waterfront'? It's mi
 up with the Mafia.

06 No, they are very decent people.
 06 Perhaps this HAROLD GIBBONS (ph)--although I think I've seen that name
 somewhere and not on our side--because this is the most gangsteric trade unio
 in the U.S.

06 I like gangsters. (Back and forth on this. Then on a more serious lo
 06 getting fed up with hearing that [redacted] wants a [redacted] trade unionist to
 send out personal invitations to this Prep Meeting.)

0618 06 CURTIS MCLEAN.
 06 Well, anybody from the ILWU (International Longshoremen's and Warehouse
 Union, although your Big BORIS (AVERYANOV) didn't believe for a minute that
 somebody from there would come.

06 But here CURTIS MCLEAN, did he participate in the Sixth Conference?
 06 Yes.
 06 Why didn't he come for the special?

0629 06 Because your Big BORIS said that this is exactly the trade union--their
 people--who are building the ships for Vietnam and if the war stops they will
 be unemployed and therefore in the last period said nothing about Indochina.
