The attention of our Paris station has been directed to the  
actual conversations that took place in Paris and  
the source's responsibility that it is Foster's  
Mr. J. Edgar Hoover obtained. Subsequent information  
Director, be committed to you immediately upon its receipt.  
Federal Bureau of Investigation  
U. S. Department of Justice  
Washington, D. C.

Dear Mr. Hoover:

With reference to your letter of 11 June 1947 requesting  
information on policy matters discussed by Foster and certain  
members of the Central Committee of the French Communist Party  
in Paris, I should like to summarize the action taken by this  
organization on Foster's trip. All stations on Foster's  
itinerary were alerted during the British Empire Conference with  
emphasis placed upon Foster's contacts and the content of his  
conversations with foreign Communist officials at Paris, Belgrade,  
and Prague.

The first reaction from Paris reported Foster's meeting with  
Thorez and Duclos on 7 March and a planned meeting for the next  
day with other members of the Central Committee (this information  
was distributed to you in DB-1658 on 4 April 1947). No adequate  
follow-up on this original report was subsequently produced -- a  
fact to be accounted for primarily by the hesitation of the Surete  
Nationale, for political reasons, to give Foster's visit adequate  
investigative attention (as reported to you in DB-1777 of 1 July  
1947).

Information on the policy matters discussed at this meeting,  
however, was included in a report from [redacted] in May  
(copy enclosed herewith). Although the source of this report did  
not know precisely what happened at this meeting "because great  
secrecy was observed," he mentioned several specific topics  
allegedly under discussion. This report was not forwarded to you  
since it was assumed the report was handed directly to your London  
representative by the British.

COUNTRY : Italy/Yugoslavia/France/Gt. Britain/USA  
 SUBJECT : William Zebulon FOSTER  
 ORIGIN [redacted] 15-1  
 DATE OF INFO : As stated  
 DATE : May 15, 1947

On 15.3.47, our representative in [redacted] 15-9 reported that FOSTER had arrived there on 14.3.47. for a stay of a few days.

On 1.4.47, we heard from [redacted] 15-4 that according to local press reports of 25.3.47, FOSTER had left Yugoslavia on 24.3.47. No details were given regarding his destination, but the press report mentioned that he had been accompanied by Tim BUCK, leader of the Labour Progressive Party of Canada.

A report dated 1.4.47 from [redacted] stated that after the British Communist Party Congress in London, several important delegates had arrived in Paris among whom were William Z. FOSTER, Tim BUCK, LAHAUT, Chief of the Belgian Communist Party, who had not been in London, and who arrived direct from Brussels, and Harry POLLITT. At the same time several Communist delegates who had been present at the W.I.D.P. Congress in Prague, had also arrived in Paris, including Nina POPOVA, the U.S.S.R. delegate, as well as delegates from Greece, Brazil, Cuba, and the Viet-Nam. Our source, however, does not know names of any except those mentioned.

Several meetings were held at the Headquarters of the Central Committee of the French Communist Party at 44, rue Le Peletier. At one of these meetings the following were known to have been present:- William FOSTER, Tim BUCK, Dolores IBARRURI, Nina POPOVA, Maurice THOREZ, Andre MARTY, Jacques SUCLOS, MAUVAIS, CACHIN, BERLIOZ, FRACHON, MONMUSSEAU, RAJON, Robert PETIT, and also George WILLIAMS & MICHALOV, Comintern Delegate.

\* John PITMAN, Paris correspondent of the American 'Daily Worker' had acted as interpreter. Although our source does not know much of what happened at this meeting because great secrecy was observed, he states that the meeting was concerned with uniting of world democratic forces against international reaction. In this connection, the French Communist leaders are said to have very much regretted the difficulty of bringing about the union between the American Federation of Labour, and the Congress of Industrial Organizations in the U.S.A.

"Jacques DUCLOS made a special report emphasizing that this was one of the most important tasks to be carried out by the Communists within the C.I.O.

"Besides the above, the question of Greece and Turkey was discussed, notably the question of boycotting of war materials sent to those countries.

"Finally, the different speakers spoke of the necessity of defending the U.S.S.R. by all possible means.

"Andre MARTY is said to have specially dealt with the question of labour in the colonies, emphasizing the necessity of bringing about unity of action among the blacks, throughout the African Continent, e. g., in French, British and Belgian possessions.

"The above, according to our source, were the principal points which had been studied during the various meetings of Communist chiefs in Paris.

"We understand that all other details about FOSTER's arrival and departure from this country have already been passed to you by [redacted]
