SUBJECT: Review of Mexico City Station Files at the [redacted] Record's Center

1. On 2 May 1977 Chris Hopkins and Annie Goodpasture visited the [redacted] Record's Center to review old Mexico City files in search of additional photographs of the "unidentified man". We were unable to locate any such photographs. It appears that earlier photographs may have been destroyed in a purge of Mexico City Station files and that the folders for the destroyed material were re-used to forward more recent photographic material to Headquarters for retention. Following are the Job numbers of boxes reviewed and pertinent notations re re-use of the old folders:
