SUBJECT	<b>LIENVOY-8</b>	

ACTION REQUIRED - REFERENCES

1. As a result of the recent review done of the LIFEAT and LIENVOY Project, it came to Headquarters attention that LIENVOY-8, who was believed to have been terminated, was still covered by the LIENVOY Project.

2. According to HNSA-14676, LIENVOY-8 was the cause of a security problem for LIENVOY in February 1960 when he requested release from LIENVOY and a transfer to his parent organization, the [redacted] LIENVOY-8 was described as a "sour" nationalist who disapproved of ODYOKE's [redacted] of the LIENVOY take.

3. Headquarters now notes that LIENVOY-8's clearance has never been cancelled and there is no Agent Service Record or termination report in his file. LIENVOY-8 was included in the LIENVOY Project renewal request for the 1961/62 project year, but not for the 1962/63 year. The field project renewal request for the 1963/64 year included him again.

4. It is requested that the Station inform Headquarters of the present status of LIENVOY-8 (201-118406). If he has been terminated, please forward an Agent Service Record. If he is still being used, please provide a current analysis of his reliability and comments on any security problems present in light of his actions and reputation in 1960.
