EKYA-MALZ

timplemal, S.A. indicates that this company is owned by the Maldonedo Elimento Bros. and has a three million pesco capitalization and is rated as enlight. The company enjoys a good reputation in the local community.

6. In view of the apparent fact that Subject probably had made known his interest in SUBJECK employment to some of his friends, and considering the fact that he had not suggested my actual access to targets of UPRARK interest, the hase decided not to take any action in this case when it first open to the attention of hase personnel. The hase will fermish Headquarters with any additional information which might be developed on Sebject in the figure.
