B. USA v. Gerald P. Hemming, Et Al.  
(76-371-CR-CA)

1. As reported in Paragraph 4 of Reference A, the trial of Gerald P. Hemming (Reference B) was severed on 10 January 1977. I was informed of the severance during my pre-trial conference with AUSA Karen Atkinson in Miami, Florida on that same day. AUSA Atkinson told me I could return to Washington, D.C. and she would have the Drug Enforcement Administration Miami Regional Office inform me if and when the trial was rescheduled. I orally reported the above to Mr. Billy Hix, SE Division Security Officer, Ms<sup>03</sup>  Acting Chief SE/X/LA, and Mr. Robert Blandford, CCS,OCS, upon my return to Headquarters on 11 January 1977. I also forwarded Reference A copies to Office of Security, External Activities Branch and the Office of General Counsel, Mr. Edmund Cohen.

2. On 28 February 1977 I was contacted by SA Robert Fredericks of the DEA Miami Regional Office and informed that the Hemming trial was scheduled to begin 2 March 1977. SA Fredericks asked me to be on standby to travel to Miami to appear as a witness on behalf of the United States Government. SA Fredericks said it was not certain the trial would begin

on 2 March and he did not know whether I would be needed as a witness.
