Attention: Alien Affairs Officer

Dear Sir:

In connection with developing prospective witnesses for use in denaturalization proceedings, the name of one Balmes Hidalgo, Jr. came up for consideration by this Service. In the course of an inquiry as to Mr. Hidalgo's whereabouts and availability it was developed that he is allegedly in the employ of your Agency and that his mail address is [redacted]

If your records show that Mr. Hidalgo is now or has been an employee of your Agency, it would be appreciated if you would advise as to whether he is presently in [redacted] and if so whether he will continue there indefinitely; whether he is available to this Service as an informant and witness and whether there would be any objection to the subject coming to the United States to testify, possibly in court proceedings, should his services as a witness be required.

Sincerely

*William A. Hogan*

William A. Hogan  
Special Assistant to the Commissioner
