MEMORANDUM FOR: CIA Review Group

THROUGH: Special Assistant to the DDO *AZ*

SUBJECT: Review of DCD Relationships With Pan American World Airways, Its Subsidiaries and Individuals

1. Attached is a report to me certifying that the DCD records on Pan American World Airways (PAA) have been searched. My review of the possible Category III items is as follows:

Item 4.a. - The individuals mentioned are probably *AL 3021* Mr. and Mrs. George de Lathauville of Dallas who, I believe, are the only persons who were acquainted with both Lee Harvey Oswald and President Kennedy; not Category III and of no consequence in my judgment.

Items 4.d. and e. *AL 0073* see nothing improper in these; the documents summarize in draft the cooperation of a PAA employee with the Air Force after coordination with DCD. There would be no impropriety in Air Force passing or otherwise regarding a PAA employee for his assistance, a common Air Force practice.

Item 4.f. - Based on Mr. Affinito and Miss Schrodt's comment, I directed that another search should be made because the memorandum suggests that DCD might be able to use its influence with American firms, including PAA, to make Mobuto's trip to the US a success. There is no indication anywhere in our case correspondence, however, that Identity 27, an Africa Division officer, visited DCD's New York Field Office on this matter or that the subject was ever discussed further than in this single piece of correspondence.

Item 4.h. - The comment is slightly incorrect in that NYRO GJS suggests that CIA material on the Soviet SST be given to DCD New York Field Office
