AID TO THEM INADVISABLE SINCE WOULD APPEAR FALL IN CATEGORY OF STRENGTHENING A GROUP INCAPABLE OF COALESCING WITH JMARC, PER YOUR COMMENT REF C.

(END OF MESSAGE)

WH Comments: \*\*Reported HIRMAN returned San Jose from series conferences New York and Washington and said his group has been legally constituted in U.S. under name of Frente Sindical Democratico Anti-Comunista de America Latina & that U.S. citizen heading this group and representing it legally is Maxwell RAAB. Mentioned Eusebio MELIAL, Abel MESTRE, SANCHEZ Arango and others as connected with group. Requested cabled authority to charge JMARC project up to \$500 a month for aid to HIRMAN to continue his propaganda and political action activities.

\*\*Reported that VARGAS, when queried about HIRMAN, described him as a real hombre, clever and crooked individual of low repute and said HIRMAN was attempting make contacts with anybody he could, on behalf MELIAL, and somehow got to VARGAS and SANCHEZ Arango, & was now trying to capitalize on this. Said no thought given to any HIRMAN role within VARGAS's Cuban exile movement.

\*\*Said HIRMAN had been useful in San Jose & might continue be of help behind scenes, but agreed we must not strengthen any group incapable of coalescing with JMARC.
