RELABLE/Operations
Request for AELADLE BOOETIE Meeting

Action: See Para 2

1. In line with talks I had at Headquarters on AELADLE and what he knows about KGB operations in Finland, I am writing to ask permission to go to London sometime in July or August to talk to AELADLE for a period of about a week. There are many items still unclarified and I think that, because of our past association, AELADLE will agree to meet and talk. Some of the points I would like to cover are:

- a. A rundown on the KGB and GRU officers known to AELADLE who are still in Finland.
- b. A check through the names and pictures of new arrivals, in the hopes of identifying KGB and GRU replacements.
- c. Debriefing on non-SIS Soviets who might be susceptible to approaches.
- d. Thorough debriefing on Yuriy WORONIN (201-92977), including AELADLE's ideas on how he might best be approached (although we also have our own ideas on this subject).
- e. Debriefing on K. O. VITTAHEN (201-211177), by request of [VA]AST/2.
- f. Re-examination of the charges AELADLE brought against Kustaa VILKUNA (201-11384).
- g. Clarification of minor points [VALIEX/6] and [VA]AST/2 have brought up.

In addition to the names and pictures of new Soviets mentioned above, I intend to bring to this meeting the architect's building plans of the Soviet Embassy which we recently received from [VALIEX/6] (see CPFA-6127) for use in the debriefing of him on the location of the KGB and GRU offices and who occupied which office.

14-1 2. If Headquarters concurs in the proposal as outlined above, please cable [redacted] and London so that the London Station can discuss the proposal with the proper people.
