Appeared pleasant to source, but after somewhat ruthless interview with some Finn mothers who were begging him to allow return of their sons from USSR, appeared quite stern. Source thought Subj was hard Communist, although he admired the material accomplishments of US. Feels Subj is very much a Sov Commie and is not defectable. Very pleasant and jovial with good sense of humor. Great sense of humor, very quick, very sharp &amp; witty. Constantly refers to self as Ukrainian. Wears double-breasted suits - Western style.</p>

Replaced Ivan Yefimovich SERGEYEV, known RIS.  
 Subj's face was familiar to source; when given the name source stated that there was a Lt. Col. of this last name in the MGB. Source did not know which directorate he was in - might be technical section - but knew that he was a "fairly high boss." Source could not recall whether he had ever seen Subj so does not know if this is the same person.  
 Early Aug 57, Subj called on VACCINE/1 & asked that V/1 warn him in adv. of any Sov official were about to be png'd from Finland & he would personally see to it that the man left quietly & immediately. V/1/01 replied in stern & angry manner, "Since when does a little diplomat w/ low rank of 2d Sec presume that he is so powerful as to remove officials of his own country from Finl? If you are really that powerful, who are you anyway & what are your real duties here in Finl?" Subj disturbed did not pursue the question. (Sta Comment: Subj's question interesting in view of BORONIN oper. Trying to determine date of chat.)

CONTACTS Source invited to give lectures on math in USSR. Soon after receiving the invitation, he & wife were in bar of Hells restaurant, when Subj and fin RASKE, a Finn Commie, came up to his table & introduced themselves. Subj mentioned source's imminent trip to USSR. Subj told source to come to Sov Emb next day to meet the Cultural Attache, who could arrange to get source to USSR & back without cost. Source invited Subj and RASKE to his home for dinner following Sunday. Both accepted. Subj paid entire bill. When source went Sov Emb next day met Yuriy VORONIN & Subj, also SERGEYEV. V. invited himself to dinner with Subj at source's home. Subj, VORONIN & wives went source's for dinner, bearing many presents. RASKE did not come. Subj told source "this RASKE is a swine." Felt that it necessary to use these Finn Commies politically but that they cannot be trusted.  
 Subj had contact w/ Prof David Hecht (Fulbright), a Russian speaking research scholar whose interest is 19th century Russia. Hecht, through Hilliker (Ch/Pol Sec), met Jane Kichlins who obtained a report for Hqs. Hecht reported that GOLUB very down on the Am Emb & America. Wanted to know about American life in U.S., etc.

01 In mid-December, [VAINGLORY/12] told [VARIATION/1] the following which [V/1] passed to station. COLUB had recently complained to Johannes VIROLAINEN that the Finn security police were not paying any attn to cases of British & American espionage in Finl, adding that the Sovs had info regarding Western espionage in Finl & would be glad to furnish it to the security police. COLUB said some of the Western cases were old & some new. Did not elaborate. Source did not say what VIROLAINEN's reply was to COLUB. [V/1] then said it would behoove AIS officers in Helsinki to be as careful as possible cause it quite possible security police would receive orders to keep their eyes sharply peeled for oper involving Finnish citizens. Pendleton briefed all senior ODGARY people. ODGARY man said he had rec'd a warning few days earlier from a friendly Finn offer that another ODGARY offer had been seen too frequently driving a Volkswagen w/dipl plates around freight yards of Helsinki. (This was ODGARY's energetic factory & freight car marking program.) The ODGARY man said his family had noticed Finn policeman on the beat outside his house had recently begun to go to phone booth & make a call every time the senior ODGARY man left his house and drove towards town. Everyone took warning seriously. [V/1] to tell us any further developments. 01

01 On 31 Dec 57, [VARIATION/1] told Station that Subj had visited the Min of the Interior re security police having contacts with Westerners. [V/1] was told that it had no connection with him; Finl a free country & people had right to talk with any one they pleased. Min of Int asked him exactly what he was driving at - Subj was evasive & gave a vague non-sequitur answer which gave no hint as to what proof the Soviets were talking about. Min of Int told COLUB if Sov govt had any official complaints to make he should make them thru proper channels. When asked if he thought there were any deeper significance to these Sov gambits, [VARIATION/1] replied that he did not expect the Soviets to do anything more than drop these conversational hints.
