SUBJECT LIHUFF/1 -- Performance Report					
ACTION REQUIRED - REFERENCES					
1. Subject has been a contact of the Mexico City Station since 1950, although it was not until 1 November 1962 that he was placed in a regular pay status. He is presently being paid a salary of U.S. dollars \$300.00 per month to act as an informant on the activities of [redacted] groups. From time to time Subject is also used as a means of financing student action harassment operations. 2. Subject is handled exclusively by the Chief of Station, Mexico, using social acquaintance as cover. 3. In view of Subject's overt position as [redacted] of [redacted] a wide-spread organization [redacted] it is unlikely that he could be available to transfer to another area unless suitable overt employment were also available to him in commercial circles. 4. During the period, Subject has been in contact with the Mexico Station, he has performed his WOFAC assignments in a most effective manner. The student group to which Subject has provided guidance and direction has effectively carried out a number of successful harassment activities in behalf of the Mexico Station. This agent would be a worthwhile asset to any Station where contact with right-wing conservative groups is desirable. He could also be used as a support asset for funding or cut-out activities. <i>Willard C. Curtis</i> Willard C. CURTIS
