Carlos Amor Diaz, one of the arrested persons, is said to have confessed to his participation in the plot which was to have been executed on 3 October, and ex-President Carlos Frio Socarras is said to have been the plot's instigator.

According to the police, Amor Diaz declared that ex-President Frio had agreed to pay \$50,000 to that person who would assassinate Senator Masferrer and that Frio had already advanced several thousand dollars in order to prepare suitable hideaways for the assassins as well as for the preparation and organization of the attempt.
