Carl: Re attached CO report: There are a number of indications in  
RUIZ 201 that he is DGI. JSMG-1 so identified him as <sup>RUIZ</sup> <sub>(telephone tap)</sub>  
... that he stated he was ...  
... mentioned that RUIZ has an (unmarked) brother who works for DGE. ...  
... the desk card on an Oswald RUIZ Perez (see #3 of CO report) indicating  
... that he was a member of DTI in 1960. Would it be worthwhile to ...  
Madrid and ask them to keep an eye out for Oswald's arrival?
