MEMORANDUM FOR THE RECORD

SUBJECT: ANTRUNK, (Leonardo)
Status Report

1. The four principals are in a safe house, "way out of Miami." They began training on 4 March 1963.
2. A training officer: [redacted]⁰³ arrived at WAVE on 1 March 1963. He will do all FI type training. WAVE will handle rest.
3. Cover was arranged for two men:
 - A. Dr. MOSKHO resigned from HEW and was picked up by cover firm in New York.
 - B. [redacted]⁰³ resigned job in Pasadena and moved, wife too, to Miami area.
 - C. Other two men had no cover problems.
4. A P.O. Box in New York City arranged for all principals. Also arrangements have been made to mail their letters from New York City.
5. We have now received PRQ's on all the principals. POA's on all of them will be in order shortly. Two of them already had POA's.
6. On 4 March 1963, I notified Bob Hurvitch that this operation was off the ground and that training would begin immediately. Hurvitch asked how we handled Dr. MOSKHO's employment with HEW. I told him we had the Dr. resign and that we would attempt to secure his re-employment either with HEW or another U.S. Government agency.
7. Since writing this above six paragraphs a cable, received 12 March 1963, has confirmed cover arrangements for ANICK/14 [redacted] and ANTRUNK/S [redacted]⁰⁴. Also, as anticipated, we will have to pay these men through these cover companies. This is presently being arranged.

8. To the best of my knowledge we are still aiming for infiltration sometime in April. WAVE has not otherwise reported, and it appears that all is proceeding routinely.
